BOOK YOUR TICKET TODAY

Join us on the 11th June 2025 in London for our fourth Sustainability Conference, where we will listen, discuss and debate the roadmap for the European lubricants industry.

This one day conference will include:

- Market trends
- Emerging applications
- Circular economy & lubricant recycling
- Environmental impact of lubricants.
- Market analysis & forecast
- Plus much more!

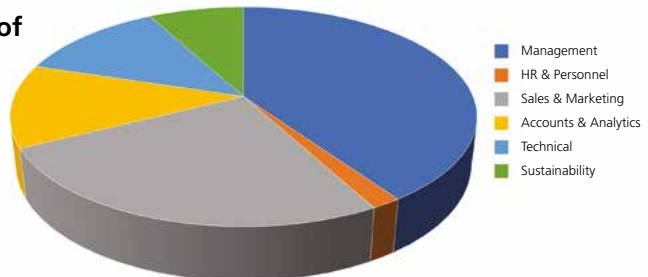

The conference is aiming to attract an international audience of over 100 industry professionals of key decision makers drawn from senior management, operational leadership, sales, account management, marketing, technical specialist and support teams to discuss key topics affecting the future of the industry.

Our conference provides a comprehensive overview of the latest trends, innovations, and best practices in the lubricants industry. By attending, you will have the opportunity to network with industry experts, gain valuable insights, and stay ahead of the curve.

Furthermore, our conference boasts a diverse range of speakers and sessions, covering a wide spectrum of topics relevant to anyone involved in the lubricants sector. Whether you are looking to explore new business opportunities, gain technical knowledge, or simply connect with like-minded professionals, this event is the ideal platform.

By booking your ticket now, you can take advantage of our early bird discounts. Secure your place at this highly anticipated event, and demonstrate your commitment to professional development and industry engagement. Don't miss out on this valuable opportunity attend the UK lubricants industry conference hosted by Lube Media and UKLA.
